Director's Meeting

Friday, 23 May 1952

HR70-14

PRESENT: General Smith, Messrs. Wolf, Becker, Col. Taylor, Mr. Earman

Mr. Wolf left with the Director a staff study concerning the resignation of Military personnel from their respective services to join CIA and noted that in those cases where these people did desire to resign to accept employment with CIA such cases would be referred to the DCI. The Director stated he wished to go over this study before final action was taken.

Colonel Taylor left with the Director a report on the recent Pan Am crash in Brazil.

Mr. Becker briefly reported on the discussion at yesterday's NSC Senior Staff meeting on NSC 114 and stated he had made a vigorous presentation on the need for a firm policy in regard to this paper. Mr. Becker also stated that an attempt was being made to legalize the covert activities now being conducted by [redacted] and we had been invited to prepare "several paragraphs" in this regard. (NOTE: This has been discussed with DD/P, who undertook to follow through on this.)
